

Ontario Agri-Retailers Continue to Demonstrate Commitment to 4R Nutrient Stewardship

Additional five sites become 4R Certified, including:

AGRIS Co-op: Glencoe, and Chatham

Sunderland Co-op: Oakwood, Peterborough, and Sunderland

Since 2018, the 4R Certification program has worked with over 2,400 farmers. 4R practices have been implemented on approximately 600,000 certified acres, which accounts for 6.5% of Ontario's total cropland.

Twenty-three agri-retail facilities are 4R Certified, which means they have aligned their business practices with the sustainability principles of 4R Nutrient Stewardship, as verified by 37 auditable standards.

The 4R Certified agri-retail facilities are:

AGRIS Co-op (Cottam, Dutton, Stoney Point, Thamesville, Tupperville, Wheatley, Muirkirk, Glencoe, Chatham)

FS PARTNERS (Ayr, Delhi, Drayton)

Holmes Agro (Orangeville)

Settingingtons (Cottam)

Sunderland Co-op (Oakwood, Peterborough, Sunderland)

Sylvite Agri Services (Blenheim, Kent Bridge, Mitchell, Norwich, Putnam, Silverhill)

Are you a farmer who believes they follow the base 4R Principles of the **Right Source®, **Right Rate**, **Right Time** and **Right Place**®? Talk to your local agri-retailer to determine how to get your acres counted and ask if they are working towards 4R Ontario Certification!**

The program is funded and guided by a 4R Ontario Steering Committee comprised of diverse set of stakeholders from industry, government, conservation authorities and grower organizations including Fertilizer Canada, the Ontario Agri Business Association (OABA), Grain Farmers of Ontario (GFO), the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA), the Ontario Federation of Agriculture (OFA), the Christian Farmers Federation of Ontario (CFFO), The Nature Conservancy, and Conservation Ontario.

Talk to a certified retailer to get a 4R recommendation today!
